

FOR IMMEDIATE RELEASE

RELEASE # 2014-06

**CHATHAM TOWNSHIP COMMITTEE ADVISES RESIDENTS TO
TAKE PRECAUTIONS IN ADVANCE OF WINTER STORM TITAN**

Residents Are Reminded to Call JCP&L If They Lose Power

CHATHAM TOWNSHIP, NJ – March 1, 2014 – [The Chatham Township Committee](#) advised residents to take precautions in advance of [Winter Storm Titan](#), which is expected to arrive as early as Sunday afternoon. At this time, it is expected that the Chatham Township Municipal Building will remain open on Monday, March 3, however, residents are advised to call the municipal offices at 973-635-4600 to confirm that the building is open or if a delayed opening has been ordered.

Mayor Kevin Sullivan, speaking on behalf of the Committee, said, “The Committee would like remind Chatham Township residents to take the appropriate steps to prepare themselves and their families in advance of Winter Storm Titan. We ask that residents check on elderly neighbors and remove any snow from fire hydrants to allow easy access by the Fire Department in the case of an emergency.

“We also would like to remind residents that if they lose power they should call JCP&L at 1-888-544-4877 immediately so that they are aware of the problem and can work toward restoring power in an expeditious manner. As we work to keep an open line of communication with our residents we recommend that everyone register for *Alert Chatham Township Now!* ([ACT Now!](#)), our Emergency and Community Alert system, to ensure that they receive future safety and emergency information in a timely manner.”

REPORTING POWER OUTAGES

Residents should report power outages to [JCP&L](#) by:

- **Phone:** 1-888-LIGHTSS (1-888-544-4877)
- **Online:**
https://www.firstenergycorp.com/content/customer/outages_help/Report_Power_Outages.html
- **Text:** Text OUT to 544487 (register first by texting REG to 544487 (LIGHTS) to get started.)
- **App:** Download the free JCP&L app for your Apple® iPhone® and Android™ smartphone - use the keyword "FirstEnergy" to locate the apps in the online store.

POWER OUTAGE UPDATES

Residents can view updated information on JCP&L's outages, their storm restoration process and tips for staying safe, by visiting

<http://outages.firstenergycorp.com/nj.html>

DOWNED WIRES

Residents should report downed wires to 1-888-544-4877 or to the Police or Fire Department -- never go near a downed power line, even if you think it is no longer carrying electricity.

HOME PREPARATION

Residents are encouraged to prepare for the possibility of outages caused by winter storms:

- Keep a flashlight and extra batteries handy. Use care when burning candles; open flames are a fire hazard.
- Gather extra blankets or a sleeping bag for each person. Do not use gas stoves, kerosene heaters or other open-flame heat sources to prevent deadly carbon monoxide gas from building up in your home.
- If you have a water well and pump, keep an emergency supply of bottled water and/or fill your bathtub with fresh water.
- Stock an emergency supply of convenience foods that do not require cooking.
- Keep a battery-powered radio with extra batteries on hand. Tune to a local station for current storm information.
- Have a hard-wired telephone or a charged cell phone handy in the event you need to report your electricity is out. Mobile phones can be charged in your vehicle using a car charger when the power is out. If you have a smart phone, this will ensure you have access to online information sources.

The Chatham Township Committee consists of Mayor Kevin Sullivan, Deputy Mayor Curt Ritter, Kathy Abbott, Bailey Brower, Jr. and Robert Gallop.

About Chatham Township

Chatham Township is located in Morris County New Jersey. It has approximately 11,000 residents and nearly 4,000 households.
